

### Project Scope

Turnberry Neighborhood Park was one of three neighborhood parks projects included in Commerce City’s voter approved capital improvement program. The project scope comprised planning, design and construction of a 9.5-acre neighborhood park including picnic and restroom facilities, playground equipment, walking/jogging trails, a multi-use hard court, and a graded playfield. The park features a theme inspired by the children’s book “The Very Hungry Caterpillar.” The park is adjacent to Turnberry Elementary School, in the Turnberry neighborhood, and was officially opened to the public in August 2016.

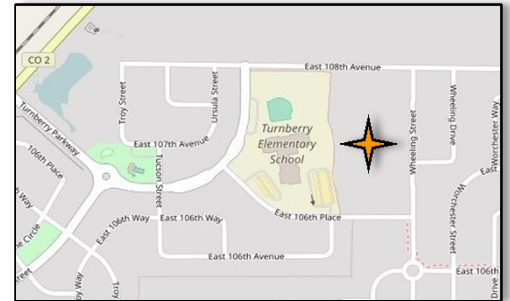

### Project Team

Project Manager: Mike Brown  
 Designer(s): DHM Design  
 Constructor(s): Goodland Construction

### Project Details

Activity Type: New Construction  
 Project Type: Parks/Recreation  
 Delivery Method: Design-Bid-Build  
 Contract Method: Lump Sum
